RE: Public Records Request

Dear Jeff Geiger,

On September 14, 2026, the Lancaster County Sheriff's Office ("our Office") received your letter containing the following request for public records:

"Please provide:

- The current and any superseded written policies, directives, general orders, standard operating procedures, privacy policies, and records-retention schedules governing the Sheriff's Office use of automatic license plate readers, automated license plate readers, automatic license plate recognition, license plate recognition, ALPR, or LPR.
- Each annual ALPR/LPR practice and usage report prepared or submitted by the Sheriff's Office under Neb. Rev. Stat. § 60-3206, including attachments and corrections.
- Each executed contract, purchase order, statement of work, amendment, renewal, invoice, or payment record between the Sheriff's Office or Lancaster County and Motorola Solutions, Axon, Flock Safety, or any other vendor for ALPR/LPR equipment, software, subscriptions, installation, maintenance, support, or related services.
- The current inventory or equipment list for ALPR/LPR equipment owned, leased, operated, or assigned to the Sheriff's Office, including vendor, model, asset/equipment identifier, and whether each system is vehicle-mounted or fixed.
- Each executed agreement, memorandum of understanding, or similar record between Lancaster County or the Sheriff's Office and the Nebraska Department of Transportation concerning ALPR/LPR equipment on state highway right-of-way, including amendments.
- The current agreement, memorandum of understanding, or written policy governing ALPR/LPR information sharing or system access between the Sheriff's Office and any other governmental agency.

Please provide these records electronically by email or download link. If any item above is not maintained by the Sheriff's Office, please identify the County office or other governmental entity that maintains it. If a document contains exempt information, please redact only the exempt portion and provide all reasonably segregable non-exempt material.

I am a Nebraska resident. Please notify me before incurring fees exceeding \$50."

After a review of your request, our Office is unable to provide the records as requested. The description provided is nonspecific in nature and does not allow our Office to locate or determine the existence of records responsive to your inquiry without additional clarification or narrowing.

Pursuant to Nebraska Revised Statute § 84-712.01 et seq., public records are subject to inspection and copying except as expressly exempted. A request must be sufficiently specific to enable the custodian to identify and produce the exact records in question, preventing such identification and correlation to records. *See* § 84-712.01(4)(c).

Any administrative or judicial right of review regarding this response is provided to you under Neb. Rev. Stat. § 84-712.03.

Sincerely,

TERRY T. WAGNER, Sheriff

Lancaster County Sheriff's Office
